Product Overview

The Rheem Performance 50 Gal. Electric tall water heater provides an ample supply of hot water for households with 3 to 5 people. This unit comes with two 4500 (Watt) elements and an automatic thermostat which keeps the water at the desired temperature. A 240-Volt electrical connection is required for installation. A premium grade anode rod provides long lasting tank protection. Rheem's patented Heat Exchanger technology uses the heat from the burner to preheat incoming water for faster hot water heater for easy installation. This model has a 6 year limited tank and parts warranty plus a 1 year in-home labor warranty.

- 50 Gallon tank provides ample hot water for households with 3 to 5 people
- Electric water heater is easy to maintain
- Delivers 65 Gal. of hot water in the first hour
- 6 year limited warranty on tank and parts for your convenience
- 1 year in home labor warranty for peace of mind
- Adjustable thermostat to adjust water temperature to meet your hot water needs
- Dual 4500-Watt heating elements
- Automatic thermostat keeps water at your desired temperature
- Requires a 240-Volt connection for installation
- Uniform energy factor 0.92
- Designed for easy replacement of your existing water heater
- Call 1-866-466-3562 before noon for same day installation service in most areas, or visit our Water Heater Installation page for more information
- Meets 2015 NAECA Standards
- California residents: see Prop 65 WARNING
